## Fees:

- » Our tuition fees are highly competitive and offer the highest quality education with uncompromising facilities  
Payment of Tuition Fees:

### Payment of Tuition Fees:

- » Overseas students are required to pay 100% of course fees for the first year of a course before a CAS is issued, and for students already in the United Kingdom a minimum deposit of 60% of course fees is required before enrolment.
  - › There may be exceptions to this under certain circumstances. In these cases a payment plan will be worked out with the student on an individual basis. A CAS will not be issued until the payment plan is confirmed and any outstanding fees are paid. Any payment plan worked out for overseas students will require an absolute minimum of 50% of fees to be paid before a CAS is issued.
- » Payments must be made in accordance with the agreed payment plan as arranged in writing at the time of enrolment. A place cannot be reserved for students who fail to meet their financial commitments unless prior arrangements have been made with the College at the Director's Discretion.
- » All discounts are at the college's discretion, and we reserve the right to cancel all special offers made to students if they fail to pay their fees as agreed with the college. Failure to pay a discounted price within the specified time period will make you liable for the fees in full as previously advertised.
- » TCB reserves the right to alter published course fees without prior notice.
- » Course start dates, course curriculum and programmes may be subject to change.
- » TCB has the right to cancel courses at short notice due to lack of demand.
- » TCB accepts no responsibility for the provision of services agreed with a third party for which no course fees has been paid in advance to the college.
- » TCB reserves the right to expel students if the fees are not paid within the agreed time limit.
- » TCB will retain any passports of students until they clear their outstanding fees if it emerges that the application to the Home Office was made through the College and if the passport is still in our possession. We may further choose to contact the Home Office and inform them your position at our discretion if we feel that you have made commitments that you are clearly unable to meet.
- » Students applying for degrees/diplomas made available by the External Bodies, should be aware that additional fees will be payable to the external accrediting Bodies. For more information on tuition fees, please refer to the External bodies directly.

### You can send the payments by:

- » International Bank (please send a copy with your Application Form).
- » Credit Card (Visa, MasterCard, Solo, Switch)
